

Epidemic Ethics invites you to a new virtual seminar on Europe

16th October 2023, 1.00-2.00 PM (London time)

This seminar is the first in a new series spotlighting some of the complex and unique ethical challenges affecting specific regions of the world in the wake of the COVID-19 pandemic, as well as future priorities in relation to epidemic and pandemic prevention, preparedness, response and recovery.

Featuring chair Prof. Michael Parker, and panelists, Prof. Signe Mežinska, Prof. Siobhan O'Sullivan and Prof. Maria do Céu Patrão Neves
